THE BLOODIEST RELIGION EVER

If God and His Word are not authority, then by defaultwho is? Man is. When people reject God and His Word as the ultimate authority, then man is attempting to elevate his or her thoughts to a position of authority over God and His Word. People claim that "Christians are religious and the enlightened unbelievers who reject God are not religious." Not true and don't be fooled, non-believers are very religious. Religion means adhering to a set of beliefs and means agreeing with a concept or set of ideas. Millions have bought into the religion of Humanism.

Humanism is the religion that elevates man to be greater than God and in a wide sense that includes any thought or worldview that rejects God and the 66 books of His Word in part or in whole. There are many forms of humanism, but secular humanism has become one of the most popular today. Different forms of secular humanism include atheism, agnosticism, non-theism and Darwinism—each shares the belief in an evolutionary worldview with man as the centered authority over God.

Humanism organizations can receive tax-exempt status just as the church does and they have religious documents like the Humanist Manifesto. They have rein in state schools, museums, and media under the pretense of neutrality, seeking to fool people into thinking it is not a "religion".

Most Humanists use the argument that Christianity and other religions who have a deity have caused so much war, suffering and bloodshed throughout history; this is one of their main objections to the organized Church. However, it is the humanist and the atheist that has caused the most bloodshed over their evolutionary beliefs and even their ethnic cleansing. The latest total grand estimate of deaths as a result of an evolutionary worldview was 778,000,000! Yes, pushing a billion people and that is just in the last 115 years!

95,000,000 Pre-Hitler Germany/Hitler and the Nazis, Trotsky and Lenin 15,000,000, Stalin 20,000,000 just to name a few. Creationists and Christians throughout the centuries have helped mankind more than harm them. Don't be fooled—3-8 hours a month of being in church is not going to indoctrinate our children from this bloodiest religion ever.
