## ANGELS PART 2

Angels are "sent to serve those who inherit salvation." (Hebrews 1:14) David wrote, "Praise the Lord, you his angels, you mighty ones who do his bidding." (Psalm 103:20) Angels both good and evil live to obey the will of their superior. Good angels exist to serve born again believers and to aid them. Their service in heaven will not diminish but most likely will increase. Angels are currently far superior to humans in terms of speed, strength and intelligence.

God is the only uncreated being in the universe. Angels are not on the same level as God. They are created by God. (Colossians 1:16) Angels have not always existed. Unlike God, they are not self-existent or self-sufficient. Angels are highly organized in governmental and military structure. (Ephesians 3:10) They are involved in a great unseen war going on in the spirit world right now. Every angel is part of this war effort. They are not isolated wandering souls. They are on purpose beings whose manner of being is strictly business. They realize the severity of the spiritual war being waged between God and Satan for your soul. Angels are immortal. Jesus says that after the resurrection, humans will be as angels already are, in that we will no longer die. (Luke 20:36) You cannot kill an angel. At this time in history, good angels fight with demons in spiritual warfare. Eventually all evil angels will be imprisoned.

Angels are only visible when God opens our eyes to see them. God opened the eyes of the prophet Elisha's servant when the Aramean army surrounded them. Elisha confidently calmed his frightened servant! "Don't be afraid, those who are with us are more than those who are with them. And Elisha prayed, O Lord open his eyes so he may see. The servant looked and saw the hills full of horses and chariots of fire all around Elisha." (2 Kings 6:16-17)
