### BEFORE YOU QUIT

When living for Jesus is not what you thought it would be and you are ready to quit, it is probably because you have been calling the shots. You may need a refresher course on the sovereignty of God. He measures success much different than us humans. He measures only if we have been obedient, not the results of our efforts but the level of our faithfulness and obedience to Him.

What do I do when prayer will not change my situation? Answer: Let God change me! God delights in our growth and going to the next level with Him. He wants to change our desires for an easy life with desires of being changed and transformed in to His image and likeness. Has your life been upset? Do you sometimes wonder what happened to me, I don't even know who I am anymore? God is doing His transformational work on you, He is making you into the person you are supposed to be for eternity, not who you want to be or think you should be.

If you are still the same person you were 5 years ago, God needs to upset your plans for the world! The Scripture says, “From glory to glory He is changing us.” Then the apostle Paul says, “Therefore if anyone is in Christ, he is a new creation; the old has gone, the new has come.” We picture the new has come as easy and wonderful, but it is often very painful. You cannot update and remodel and old kitchen without tearing everything a part, usually a complete gut job! A mess occurs when remodeling takes place. God has to do several gut jobs on us to get us ready for our eternal residence. You probably won't like the mess He is making in your life, but like an expert contractor, He is building something beautiful out of you that will be everlasting.

Cling to and digest this powerful promise from God's Word- “ and we know that in all things God works for the good of those who love Him, who have been called according to His purpose.” Romans 8:28 Before you quit, let God finish!

In Christ's Love,

Pastor Gene
