WORRY IS A FAITH ISSUE

Tom Hanks is one of the greatest and most successful actors. He has received 2 Oscars for best actor in a leading role. His abilities reach from the genius comedy of Forrest Gump to the hero of Captain Miller in Saving Private Ryan to attorney James Donovan in the thriller Bridge of Spies. His annual earnings are reported to be around \$26 million. But even with all his success he said in interviews that he worries about not performing well, not measuring up or being exposed as “not having what it takes.” Does Tom Hanks need to worry? No but he does. That kind of stress is so painful and we so often do the same thing!

Worry is a faith issue, how do we increase our faith? We remember who God is. Jesus said, “look at the birds of the air; they do not sow or reap or stow away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they?” Matthew 6:26 He knows what we need and He will provide for our needs. So why do we worry? It is a faith deficiency!

“God loves you. That is the truest truth about you-not what you have done, nor the mistakes you’ve made, not what your past says about you, not the names that others have placed on you, and not the circumstances that surround you.”-Rob Renfro

Worry is foolishness. Has worry ever solved a problem or healed a hurt? Has worry ever created a solution, given hope, calmed our nerves or brought God’s power to a seemingly hopeless situation? Prayer has, as well as, seeking God’s wisdom in reading the Scriptures has. But worry? NEVER. Jesus says it can’t add a single hour to our lives.

In Christ,

Pastor Gene
