SAY YES

Every time we say yes to God we will get a little more sensitive to hearing him the next time. I don’t know about you but I find when I am hearing nothing from God it is because I have been saying no to his nudges.

We are the losers when we do not listen to God. It is very easy to go through the activities and forms of Christianity, but it becomes harder when we say *Lord speak to me. Lord, please show me what you want me to do or help me to work out your plan for your kingdom.* The power and presence of God comes alive in us when we move away from “having just a form of godliness.” We deny God’s power every time we do not hear him or we flat out just say ‘no’ to him

Mother Teresa said, “that we should not ask to do great things for God, but to do small things with great love.” Brother Lawrence said- “Loving God and loving one’s neighbor are really the same thing.” It is not the big things that we say no to when it comes to God as much as it is the smaller things.”

Our task is to meet God in the moment. John Ortberg said- “ I am always tempted to live ‘outside’ this moment. When I do that, I lose my sense of God’s presence. The good news about our God is –that his desire for me is constant, although my desire for Him ebbs and flows. Let’s determine to live each moment in Christ!

For Jesus,

Pastor Gene
