A RUINED IMAGE

By Gene Hinrichsen

“God created man in his own image.” Gen. 1:27. All of creation obeys God. The only part of creation that doesn’t obey God is mankind. We are bent on having our own way. The weather is at Jesus’ command, he says peace be still and the storm stops.

At God’s doing the sun stood still for a 24 hour day in the book of Joshua. I guess that could explain February and leap year but I am no science expert. Water came out of a rock by God’s desire. the Red Sea divided in half at God’s decree. The Jordan River rolled back when God needed it to happen. It seems strange that we who are made in His image don’t obey him as we should.

Oswald Chambers said, “If things are dark to me, then I may be sure there is something I will not do. Intellectual darkness comes through ignorance’ spiritual darkness comes because of something I do not intend to obey.”

Several times every day we have the choice to follow our creator God in obedience and be for Him a bright and glorious image. Yet, somehow we make the choice to ruin his image by choosing sin. May we be truthful with ourselves and ask ourselves daily these following questions– Am I obeying God like the rest of his creation? Is what I am about to do or say going to mar the image of my God? Sometimes just stopping to think before we act would bring great honor to our creator.

I am so grateful that He still loves me and you, even when we ruin His image! Now that is grace!

For Jesus,

Pastor Gene
