God’s Orignial Plan

By Gene Hinrichsen

God’s original plan for man was for us to walk and talk with Him and to rule with Him. We cannot do those three things without constant prayer and communication with Him. Author and pastor Jim Cymbala said- “find a church that doesn’t pray and you will discover a preacher who’s not getting to the heart of things, no matter how eloquently he or she preaches. What we really believe is always revealed in the way we talk with God in prayer.”

To understand the past and future of man and to appreciate the present state of man’s journey through time, it is crucial to consider God’s original purpose and plan for His creation. God’s purpose in the beginning was to establish seven important things. First He established a family of spirit sons and daughters, not servants. We are His family! Second, He established a kingdom, not a religious organization. We are a kingdom of God’s people not denominations. We are in the kingdom of God, not Baptists, Lutherans, Catholics or United Methodists. God’s third purpose in the beginning was to start a kingdom of kings, not subjects. We reign and rule with our God, not grovel beneath Him.

God’s fourth desire is to found a commonwealth of citizens, not religious members and fifth initiate a relationship with man, not a religion. His sixth purpose is to extend His heavenly government to earth and finally influence earth from heaven through mankind.

The big question is how is your walking and talking with King Jesus changing your family, community, nation and world? If you do not know you are out of the will of God and His perfect plan for you is not working. You will be super surprised on the day of your judging.

For Jesus,

Pastor Gene
